- If you have some issues or conflicts, communicate via Slack first and let the team leads know.
- If the problem still persists, we can have a meeting with just the leads and the person to decide further directions.

## 6. Expectations of Faculty and GTA's

- If a team member fails to live up to this agreement, the situation may be reported to the staff, but the team will still be responsible for submitting a completed assignment. Staff will be available to meet with teams to resolve issues.
