2) Primary Means of Communication and Expectations

- Check the Slack often
- We'll try to meet in person at least once a week (Friday 12-1)

3) Scheduling Meetings

- Check the when2meet for any extra meeting times
- Every Friday, 12-1 (tentative)

4) General Responsibilities for All Team Members

- Check Slack regularly
- Let everyone know if you're going to miss a meeting
- If you're behind/going to miss something let everyone know as soon as possible so we can plan accordingly
- Communicate about busy weeks and let people know if you need a lighter load in advance
- If you can pick up someone's work without negatively affecting your own life, try to do so within reason.
- Write tests for your own code
- Follow the coding style guide!!
- Be kind >:(

5) Specific Team Member Responsibilities/Deadlines (Optional)

Leads: Ravi, Sravya

Designer: Benji

- Information architecture
- User research
- HTML and CSS styling
- UI design and prototyping

Developers: Everyone else

6) Conflict Resolution

- Communicate via Slack first, let the team leads know
- If there is a consistent problem, we can have a meeting with just the leads and the person to decide further direction.

7) Expectations of Faculty and GTA's

- If a team member fails to live up to this agreement, the situation may be reported to the staff, but the team will still be responsible for submitting a completed assignment. Staff will be available to meet with teams to resolve issues.

8) Team Signatures
